Transportation
Safety Approval**

Safety Approval Number: SA 13-005

**Black Sky
Training, Inc.**

is issued a safety approval, subject to the provisions of 51 USC Subtitle V, chapter 509, and the orders, rules, and regulations issued under it.

This safety approval is issued to Black Sky Training for its ability to provide as a service, scenario based physiology altitude training, which includes hypobaric chamber training for crew and space flight participants.

This safety approval is granted subject to the terms, conditions, and limitations set forth in safety approval order A and any subsequent orders issued by the Office of Commercial Space Transportation.

The holder of this safety approval must at all times comply with the regulations prescribed by the Office of Commercial Space Transportation relating to this Safety Approval.
